Dear Mr. Huston:

Thank you for your letter concerning the property you described in connection with a Federal Highway project.

Although I have read your comments with great interest, I am taking the liberty of referring your request for assistance to the Federal Highway Administration which comes under the Department of Transportation in Washington, and which has jurisdiction over claims of the type you outlined in your letter to the Department of State.

I hope that your claim will be resolved.

Sincerely,

Patricia M. Derian
